

Dental CASA Program

Social service resources for our patients and families during COVID-19

From the Dental **CASA** program:

a pediatric service combining dentistry and social work, providing

Care coordination,

Advocacy,

Support and

Access

to our College of Dentistry patients and families:

We understand that many are feeling the effects of the recent measures to protect our population from the spread of COVID-19. These are very challenging times, yet we know our patients and families are very resilient and resourceful. It is in this spirit that we put together a resource for our families that might be helpful as you navigate this crisis.
