

UIC Dental Alumni Association Board of Directors Application

Please submit application via email to
DentAlumniBoard@uic.edu.

Help change the future of oral health by joining the UIC Dental Alumni Association Board of Directors!

As a Board member, you will be at the heart of the Board's work in enhancing and advancing the relationship between the UIC College of Dentistry and all of its alumni, helping inspire lifelong loyalty and pride in the College and its departments.

The Board plans and participates in alumni engagement efforts, including social events; advocates for alumni by expressing their opinions and preferences to the College of Dentistry leadership, and provides advice to College administration.

Activity on the Board gives you an opportunity to network, make new acquaintances, and affect change at the College.

Your Alumni Association presents awards to alumni and students, and sponsors student and alumni events, including the annual Reunion Dinner and the annual Golf Outing. As a Board member, you would have your opportunity to leave your mark on all of these actions and events.

The Board meets four times per year, with meetings on Sundays so as not to interfere with dental practice.

Directors' terms are three years in length. Executive officers' terms are two years in length. Voting members: four officers, 15 directors, and the Dean of the College of Dentistry. Five directors' terms expire each year. Of those five, only three may be reappointed for a new term.

Board members are asked to set a leadership example for other alumni and friends by making a gift to the Annual Fund. The Office of Advancement team would be happy to discuss giving opportunities with you.
