Changing the Future of Oral Health

**Through excellence in oral health education, patient care and research powered
by innovation and community.**

OUR VISION:

Our vision is to provide excellence in oral health education, research, and service, through improving the health and wellness of our communities, providing exemplary care for our patients, and advancing the knowledge to do so.

OUR MISSION:

- To educate oral health professionals and scholars who excel in a complex, multicultural and technologically changing world;**
- To discover and translate new knowledge at the boundaries of science, transforming oral health care practice, social systems and related technologies for the benefit of individuals, families and communities;**
- To provide oral and health education & clinical services of the highest quality with an emphasis on enhancing health equity and social justice for individuals and communities;**
- To prepare health professionals in addressing the challenges of access to care affecting underserved populations;**
- To collaborate with our urban and rural community partners in mutually beneficial ways; and**
- To advocate for public policies, perceptions, and practices that lead to inclusion of oral health as an integral part of the inter-professional emphasis on the health of the communities we serve.**

Welcome from the Associate Dean of Student and Diversity Affairs

Dr. Darryl Pendleton

Associate Dean of Student and Diversity Affairs

Executive Director of the UIC

Urban Health Program

Welcome to the University of Illinois at Chicago College of Dentistry!

I would like to add my congratulations to you on your decision to pursue dentistry as a career and to attend our College.

The major role of the Office of Student and Diversity Affairs (OSDA) is to assist you in the curricular and extracurricular aspects of your education. We hope that you will see Student Affairs as a supportive and responsive place in which you can find help for your efforts in coping with the academic and personal demands of dental school. Helping dental students to develop into empathic, compassionate, knowledgeable dentists who are enthusiastic about their profession is one of our goals. We look forward to working with each of you.

Welcome from the OSDA Team

Braulia Espinosa , MPA

Director of

Student and Diversity Affairs

bespin1@uic.edu

Carolyn Feller, MSED

Director of

Student and Diversity Affairs

cfeller@uic.edu

Meah Rogers, MPH

Assistant Director of

Student and Diversity Affairs

troger6@uic.edu

The OSDA staff hopes that you are enjoying the winter season and that your preparations for the start of dental school are going well. As you all know, August 23, 2021 (*the first official day of D1 classes*) is just around the corner, and the beginning of your professional education and career will be here before you know it!

In an effort to help you prepare for orientation and classes, the Office of Student and Diversity Affairs will be sending updates throughout this period to remind you about important items that you will want to address before orientation on Monday, August 16th — Friday, August 20th, 2021. Please be sure to read each update in its entirety, as there will be information for which we will be requiring your response. This is the first of several updates that you will be receiving covering topics pertinent to your matriculation in August 2021.

Please do not hesitate to contact the OSDA team if you have any questions. We look forward to working with each of you to prepare for your professional education. You have made a wonderful choice in your decision to attend the University of Illinois at Chicago College of Dentistry. The staff in the Office of Student and Diversity Affairs looks forward to helping make this a smooth transition and an enriching, fun, and rewarding educational experience.

Financial Aid

Please be reminded that if you are planning on financing your education with loans, you should file a 2021-2022 (**Free Application for Federal Student Aid (FAFSA)**) form. This should be done as soon as possible as it opened in October. If you have not yet done this already, please do so immediately! **UIC's Title IV Code is 001776.** This is an online application which you can access through the FAFSA website located below.

FAFSA Website: <https://studentaid.gov/h/apply-for-aid/fafsa>

You can also find additional information on completing the FAFSAS 2021-22, Free Application for Federal Student Aid at: <https://studentaid.gov/sites/default/files/2021-22-fafsa-worksheet.pdf>, Federal Student Aid Information Center, 1-800-4-FED-AID (1-800-433-3243).

The completed FAFSA form will be sent to the University Financial Aid office, award notifications will be sent to new students approximately March 2021. Disbursement will be on or near: Friday, August 20, 2021. If you have questions regarding the status of your first fall FAFSA form or Student Aid Report, please contact our Assistant Director of Financial Aid using the information below:

Mr. TJ Hardaway
Assistant Director of Financial Aid
Phone: 312-996-3126
Email: tjhard@uic.edu

Please have your UIN number handy.

Financial Aid Continued...

UIC Financial Aid website — <http://financialaid.uic.edu>

In order to help you to better prepare financially for the approaching school year, below are *estimated* figures for the **Fall 2021, Spring and Summer 2022**. Please note that the numbers listed below *may not reflect the exact amount that you will receive, financial aid funds are based on your individual circumstances*. Financial aid funds are disbursed in thirds (fall, spring, summer) every semester.

Check your aid status <https://my.uic.edu/common>,

UIC Financial Aid Homepage <https://financialaid.uic.edu>

ESTIMATED COST OF ATTENDANCE (COA)*

<u>FALL 2021</u>	<u>SPRING 2022</u>	<u>Summer 2022</u>
Fall Books/Supplies— \$2,000 (est)	Spring Books/Supplies—\$2,000 (est)	Summer Books/Supplies—\$2,000
Tuition instate \$17,818	Tuition instate \$17,818	Tuition instate \$17,818
Tuition out of state \$32,063	Tuition out of state \$32,063	Tuition out of state \$32,063
Loan Fees \$ 600	Loan fees \$ 600	Loan fees \$ 600
Personal Expenses—\$ 1,300	Personal Expenses—\$1,300	Personal expenses—\$1,300
Transportation —\$600	Transportation —\$600	Transportation -\$600
Housing/Food Expenses—\$6000	Housing/Food Expenses—\$6000	Housing/Food Expenses—\$6000
Mandatory Fees- \$ 6,419	Mandatory Fees- \$6,419	Mandatory Fees -\$6,419
COMPUTERS: \$2,000	COMPUTERS: \$2,000	COMPUTERS: n/a
TOTAL instate \$36,737	TOTAL instate \$36,737	TOTAL instate \$36,737
TOTAL out of state \$50,982	TOTAL out of state \$50,982	TOTAL out of state \$50,982

*These numbers are an estimate and subject to change. The final numbers will be on your award notification letters that you will receive later this spring. Additional information will be available at the June pre-matriculation meeting.

Financial Aid Continued...

The American Dental Education Association (ADEA) has developed a set of videos to assist new students through financial planning. Paul Garrard, consultant and financial aid expert who works with ADEA, has recorded a presentation on how to Finance your Dental Education. Additionally, Mr. Garrard has other Youtube videos that we recommend that you watch.

- ⇒ **Financing Your Dental Education.** https://www.youtube.com/watch?v=tslbMqXCG_0

- ⇒ **Introduction: Key messages and important items to consider as you view the presentation.**
<http://youtu.be/q5do5y6Y0M8>

- ⇒ **Part 1: Detailed look at actual out-of-pocket costs for dental school and the real cost of borrowing.** <http://youtu.be/NVziSm4IeT8>

- ⇒ **Part 2: Important information about what you will be borrowing, terms and conditions, repayment examples, and why dental school graduates are well known for responsible repayment.** http://youtu.be/25_H_a1_x9c

- ⇒ **Part 3: Changes to loan programs and things to keep on your radar screen during dental school that may impact your repayment strategy.** <http://youtu.be/t9FchUgky0A>

- ⇒ **Part 4: Relationship between student loans and credit, and how they can help you build a positive credit history.** <http://youtu.be/iaCdMiVsqFo>

- ⇒ **Part 5: Some common sense ways to keep on top of your borrowing during dental school and resources to help.** <https://www.youtube.com/watch?v=CnQhVXXN368>

Orientation and Virtual Summer Meeting

Orientation will be held from **Monday, August 16– Friday, August 20, 2021**; due to the ongoing COVID pandemic, it has not yet been determined if orientation will be held in person or virtually. **Please note that orientation is mandatory for all incoming DMD students; there are no exceptions to this requirement. If a student fails to be present for the first day of orientation, they will be automatically withdrawn from the program.** Additionally, you should plan to attend orientation Monday through Friday from 8:00am - 5:00pm of orientation week. Our colleagues in the Student Services area will provide you with a more detailed agenda of events once the schedule is finalized.

Spring /Summer 2021

Friday, March 26, 2021: Criminal Background check & Supplemental Application due

Thursday, June 3, 2021: D1 Summer Meeting

Wednesday, June 30, 2021: Transcripts with Degree posted due

Monday, July 5, 2021: Immunizations Tracker due

Monday, July 30, 2021: Deadline to submit Photo to obtain ICard

Fall Term 2021

Monday to Friday, August 16-20, 2021: D1 Orientation

Monday, August 23, 2021: D1 Classes Begin

Monday, September 6, 2021: Labor Day—Closed

Monday to Friday, November 22-26: Break -no classes or clinics*

December 17, 2021: Classes & Clinics End *

Spring Term 2022

Monday, January 2, 2021: Classes & Clinics Begin

Monday January 17, 2021: MLK Day - Closed

White Coat Ceremony

The White Coat Ceremony is an annual tradition marking the matriculating class of students entering the dental profession. It celebrates the choice to pursue a life in service to the health of society. During the Ceremony, University of Illinois at Chicago College of Dentistry deans and faculty members cloak students in their first white coat as a symbol of the trust bestowed upon them to carry on the healing profession on dentistry. Due to COVID-19 restrictions, the University is not allowing large events such as COD's White Coat Ceremony to take place. Our office will notify you once we are allowed to host the ceremony for your class.

My.UIC Student Account/University Resources

Access my.UIC Account

All newly admitted students should log on to “my.UIC “ the University of Illinois at Chicago portal for incoming students. As a newly admitted student, this site will serve as your gateway to the University from now through graduation. Please click on “Activate” your portal account. You will need your UIN (University Identification Number) and a Token. Tokens are sent to all newly admitted students via email approximately 2-4 weeks after admission . There may be a brief delay due to new software implementation.

<https://my.uic.edu/common/>

University Identification Number (UIN): Your 9 digit UIC UIN is an important identifying source for your records. Please include this number when emailing or speaking with any University office. You must use your UIC email address when corresponding.

Please be reminded that as incoming students at UIC, you have **numerous** campus resources available to you. *The Office of the Vice Chancellor for Student Affairs* is another wealth of information for our UIC student population. Their mission is as follows:

“Our mission is to foster student success and affinity by creating experiences that engage students in programs and services that support their learning and personal development.”

<http://www.uic.edu/depts/ovcsa/>

The Disability Resource Center - <https://drc.uic.edu/>

809 S. Marshfield, Room 722, 7th floor

The offices listed below are located in the **Student Services Building (SSB)**

1200 West Harrison Street (corner of Racine and Harrison, across the street from the Credit Union 1 arena, on the East side of campus.

The Academic Center for Excellence (located in SSB):

<http://www.uic.edu/depts/ace/strategies.shtml>

The UIC Counseling Center (located in SSB) is available at:

<https://counseling.uic.edu/>

Transcripts, Registration, and Supplemental Application

Transcripts

As you are aware, our dental school requires **proof** of a US earned Bachelor's and/or Master's degree as reported on your AADSAS application. All newly admitted D1 students should submit an **official** copy of all transcripts. We *cannot* obtain copies from AADSAS. The transcripts **must have the degree posted**. Students should also submit master's degree transcripts and any other college or university transcript that posts prerequisite coursework or science coursework for dental school. All transcripts **with degrees posted** should be in our office **no later than Wednesday, June 30, 2021**. Electronic transcripts can be sent to Carolyn Feller (cfeller@uic.edu), Braulia Espinosa (bespin1@uic.edu) or Meah Rogers (troger6@uic.edu). Please send us an email alerting us beforehand that you will be sending an **OFFICIAL** electronic copy to our email address. Physical copies are to be sent to:

UIC College of Dentistry,
ATTN: DMD Admissions, Carolyn Feller,
801 S. Paulina Street, Room 104, Chicago IL 60612

Class Registration

The College of Dentistry Office of Academic Affairs will send you registration information over the Summer. Once you set-up your UIC student account, you will be able to use this portal to register for classes too. Instructions on how to register will be provided by Academic Affairs once course information is available.

Supplemental Application

All students should submit a completed form (found on the website) along with a copy of an official form of identification, by **Friday, March 19, 2021**. Email as an attachment to the Box folder link, **UIC_Sup.8lnpswzvoa284slu@u.box.com**, and be sure to name the document as follows, **Last Name, First Name_UICSupplementalApp_DMD2025**. You can also mail the documents to our office at:

UIC College of Dentistry, DMD Admissions
801 S. Paulina Street, Room 104, Chicago IL 60612

HOUSING — Off-Campus Living

Off-Campus Housing

Based on past dental student classes, we have found that many students choose to live off-campus. If you decide to live off-campus, we recommend that you research the neighborhood in which you are interested in. Chicago is a big city with many diverse neighborhoods; this helpful website will assist you in exploring the many diverse neighborhoods.

<http://www.dreamtown.com/neighborhoods/chicago-neighborhoods.html>

Another great resource is the UIC Off-campus Housing database system. This site is for the use of UIC students, staff and faculty, as well as landlords who wish to lease property to UIC students. <https://offcampushousing.uic.edu/>

The UIC Commuter Student Resources Center also has an off-campus housing site:

<https://csrc.uic.edu/off-campus-housing/>

City Living—If you are interested in living close to the college consider doing a search for these areas: *Little Italy, University Village, UIC/Medical District/Tri-Taylor, West Loop and South Loop.*

A word of advice: If finances are a concern, we recommend that you do not rush into signing a housing contract (lease) until you are aware of all your housing options. Calculate carefully what you can realistically afford before making your decision. Be aware that heating costs may not be included in your rent and may be a separate expense. Due to the climate in Chicago, this can be expensive. Following are helpful websites that may be of use to you in your search.

- ◆ www.padmapper.com
- ◆ <http://chicago.craigslist.org>
- ◆ <http://www.chicagoreader.com>
- ◆ <http://chicago.apartments.com>
- ◆ <http://www.apartmentpeople.com>

HOUSING — On-Campus Living

On-Campus Housing

UIC has both an on-campus and off-campus Housing office located on the second floor of the Student Residence Commons, 700 S. Halsted Street, Room 2026. You may visit the UIC Housing department website <http://www.housing.uic.edu>, to obtain additional information.

The office provides housing information and offers many services that you may find helpful in making your living arrangements. The College of Dentistry is located on the west-side of UIC's campus. The residence hall for graduate health professional students is located on the medical campus, 3 blocks west of the dental school. This facility is called ***Single Student Residence (SSR)***;

Single Student Residence (SSR)—This building is mainly for graduate and professional students, as well as for undergraduate students 24 years of age or older. This building is apartment style, with each student having an individual bedroom and sharing a kitchenette and bathroom within each unit. Each bedroom has a high speed and cable tv connection (must be activated; additional fees may apply). As this building is for graduate and professional students, the entire building is intensive study.

Address:

809 S. Damen Avenue | Chicago IL 60612

For more information specifically about SSR (tour, rates, etc), please contact :

Central Housing Staff

Phone: 312-355-6300

Email: housing@uic.edu

URL: <http://housing.uic.edu/halls/ssr/>

Living in Chicago

Safety in Chicago - Many students have questions and concerns about safety in Chicago. Please visit the city of Chicago Police Department (CPD) website, <http://gis.chicagopolice.org> The CPD website has a web application called CLEARMAP CRIME INCIDENTS that enables you to search the Chicago Police Department’s database of reported crime.

Transportation - Chicago’s most popular way of getting around are via bike or car; walking and public transportation (commonly referred to as the “L”). Please visit the Chicago Transit Authority (CTA) website to obtain information about bus and elevated/subway train services.

<http://www.transitchicago.com/maps/>

Education - If you need information about K-12 education please visit the State of Illinois website: <https://www2.illinois.gov/services/ISBE/learning-standards>

Background Check, Immunization Forms, and Bloodborne Pathogen Policy

Background Check

The University of Illinois at Chicago (UIC) College of Dentistry requires that all students complete a background check prior to matriculation into the Doctor of Dental Medicine (DMD) Program. Information regarding the College's policy on background checks has been attached to this email. To facilitate this process, the College has identified an independent vendor, *Castlebranch*, to provide the required background screening. A document providing direction on how to proceed with the background check accompanies this newsletter. The deadline to complete the background check is **Friday, March 26, 2021.**

Immunization Forms

Included in the website resources, you will find information about the University of Illinois at Chicago College of Dentistry Immunization policy, Frequently Asked Questions and a Castlebranch instruction sheet (Instructions include both background check and immunization information). Please have your healthcare provider complete the Immunization form NOW and obtain the appropriate lab tests, as some vaccination series take months to complete. Once your forms and labs are complete, you will upload them into a secure web-based program through the Castlebranch Immunization Tracker. This will review your records and inform you if anything is missing. The deadline to upload all forms and reach compliance is **Monday, July 5, 2021.** *Information will be updated by Clinical Affairs as provided.*

Bloodborne Pathogen Policy

The University of Illinois College of Dentistry is committed to providing a safe and healthful clinic environment. In pursuit of this goal, an exposure control plan (ECP) is implemented to eliminate or minimize occupational exposure to bloodborne pathogens in accordance with OSHA standard 29 CFR 1910.1030, "Occupational Exposure to Bloodborne Pathogens." The University for Illinois at Chicago College of Dentistry has a Blood Pathogen Policy found on the website under Student Resources.

Collection of Teeth

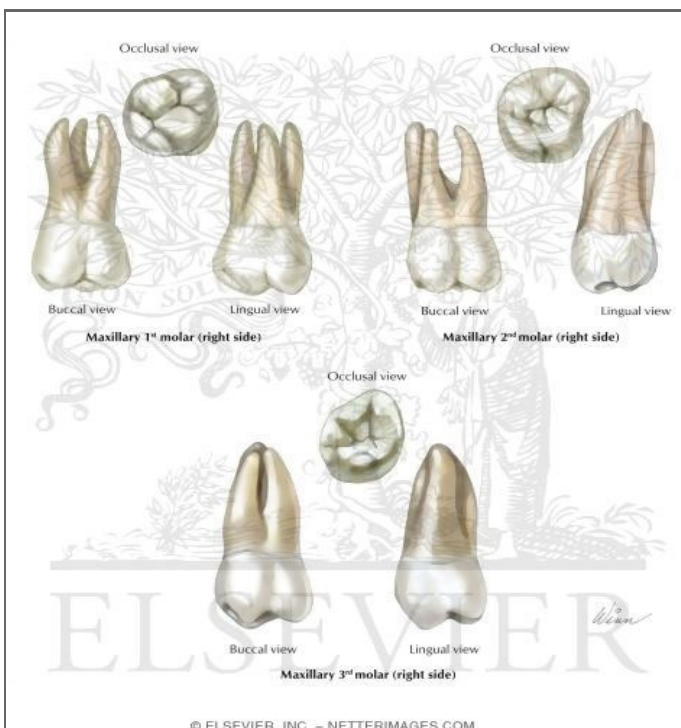

As part of the first year fall and spring semester dental curriculum, you will take courses entitled Dentistry-Applied Oral and Behavioral Sciences (DAOB). In these courses, you will learn about the dental anatomy and practice preparing teeth for restoration. The laboratory and pre-clinical portion of these and other subsequent courses depend heavily on a collection of extracted human teeth.

Again, in your D-2 year you will learn root canal therapy mainly by performing root canal procedures on extracted human teeth that you collect. You will need many average size, intact, hydrated, (not dry/brittle) teeth of all types: maxillary and mandibular molars, premolars and anterior teeth (restored teeth are acceptable).

It is important that you begin collecting teeth now! Start with your family dentist. Ask your orthodontist about other dentists in your area who extract teeth (oral surgeons can be helpful). It is very important that you have a wide variety of teeth. All these dentists were once students too and learned their skills using extracted teeth they collected from practicing dentists, so they fully understand. The extracted teeth may contain restorations but should otherwise be of good quality (not severely broken down by decay or damaged during extraction), and must be hydrated. You should plan to collect teeth from several offices in order to obtain enough teeth for your dental education. You should collect at least 100 usable teeth in disin-

fection solution (and many more teeth are strongly recommended) by the time you matriculate. You should continue to collect teeth after matriculation to be prepared for future courses. Non-third molars are especially in demand. Attached you will find a letter you may copy and provide to dentists you approach with storage instructions.

Please pay particular attention to the Guidelines for Infection Control in Dental Health Care Settings. **Please begin collecting teeth today! Don't delay the process!**

Personal Computer & iPad

A personal laptop computer and an iPad ARE REQUIRED for your dental school education. For general communication, homework and network access, you will need a personal computer in order to be able to review the assigned weekly course requirements, using special course software. When you decide to buy or update your own computer, the requirements to support the software include **minimums** of:

Platform:

(PC): Windows 10 or (Mac): OS 10.15 or higher with Intel Core i5 processor

Hardware: 250 GB

Memory RAM: 8GB

Screen size: 13" or higher

Software: Microsoft Office - Word, Excel, PowerPoint, Exemplify

iPad

With consideration of the College's innovative curriculum, you will need an iPad <4 years old for all written and station examinations, pre-clinic huddle sessions and small group learning (SGL).

****An IPAD and detailed computer recommendations handout accompany this newsletter on the D1 link cited in this newsletter. ****

UIC I-Card & Campus Care

MyPhotoSubmit Upload for UID Card

In order to remain compliant with COVID-19 distancing regulations, students and employees are now allowed to upload their own photo for their I-Card using the MyPhotoSubmit portal. To submit photos, please visit <https://www.icardnet.uillinois.edu/public/photo-submit.cfm>.

ID Cards

Typically, once a student registers for classes, they can obtain an “I-card” which is the free UIC ID card. Please wait 48– 72 hours for eligibility following registration. Once a student submits their photo for their I-card via MyPhotoSubmit, COD will collect their ID from the UIC ID office and provide with equipment distribution during orientation week. ***UIC and UIUC students: If you will be exchanging your I-Card, please be sure to do so via the East campus office or a replacement fee of \$20 will be charged.*** I-Cards are not printed on demand, likewise, same day service using MyPhotoSubmit is not available. Please refer to the website for hours and address information. ***We encourage students to please confirm with the ID office in advance before making a trip to campus.***

ID Office at Student Center East (SCE)
Monday—Friday 8:30-5:00 pm
750 S. Halsted St, 124 SCE | Chicago, IL
Phone: 312-413-5940
URL: <http://idcenter.uic.edu/>

Campus Care

The University of Illinois at Chicago requires that all eligible students be covered by health insurance and provides a plan for which the fee is automatically assessed along with other tuition and fees. Eligible students include all registered Undergraduate, Graduate, and Health Professional students. There is no enrollment form to complete. ***Students with comparable health insurance coverage, for example through a legal guardian or an employer, can waive out of the program by submitting an online waiver form.*** For additional info about Campus Care please visit their website: <http://www.uic.edu/hsc/campuscare/faq/aboutmenu.html>

Parking and Lockers

UIC Parking

The phone number for the Campus Parking Office is (312) 413-5800. You can go online at <http://www.uic.edu/depts/avcad/parking> to review parking rates, the application form, maps, and other information. The College of Dentistry does not have any jurisdiction over parking assignments.

West Campus Parking Office at Student Center West (SCW)

828 South Wolcott Avenue, Basement-B5A | Chicago IL 60612

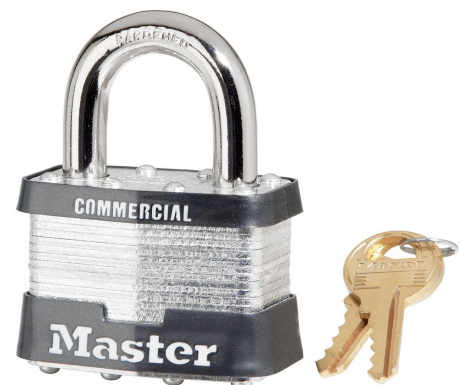

Phone: (312) 413-5850

URL: <https://parking.uic.edu/students/>

Lockers

During orientation, students will be assigned lockers that will be used for different activities at different times during the program. It is required that you bring locks for these lockers that are easy to use. Combination locks or with easy to use numbers, or master locks with a key are recommended. Please bring two (2) locks with you at orientation. **(No mini locks please).**

Scrubs

Please note that the College of Dentistry recently updated its policy on scrubs. UIC College of Dentistry DMD/AS Policy: Students who have matriculated in August of 2018 and beyond are **required to own one pair of navy scrubs with the embroidered UIC COD logo; these scrubs will be referred to as your navy dress scrubs**. *These scrubs are available for purchase at the UIC Medical Bookstore.* Cohorts may be requested to wear them on occasion. Unless notified in advance, **students are permitted to wear navy scrubs from the vendor of their choice, the UIC COD logo is optional for these scrubs (not required).**

All students are required to wear scrubs while in the building. Scrubs should be clean; top and bottom should be of a matching color. To buy your **UIC COD navy dress scrubs** you have to visit the UIC Bookstore located at

UIC Medical Bookstore at Student Center West (SCW)

828 S. Wolcott Ave | Chicago, IL 60620

Phone: 312-413-5550

Hours: Monday, Wednesday, Friday, 10:00am—4:00 pm

URL: <https://www.uicbookstore.org/c-32-medical-bookstore.aspx>

Please call ahead of time to check if they are open.

Class of 2025 Resources Link and Information Form

Class of 2025 Resources Link

All new incoming Class of 2025 D1's will use a link posted on our College of Dentistry website to access preparation details. The newsletter, background check and other essentials can be found here: <http://dentistry.uic.edu/dmd-class-resources>

New Student Information Survey—REQUIRED

Our college collects essential information from students including height, being left or right handed, etc. Please take a few minutes to complete the following form located at the following link: https://uic.ca1.qualtrics.com/jfe/form/SV_bpFT7b6LX7jR3xk

Please submit this form no later than Friday, March 26, 2021 or as soon as possible if you are accepted after this date.

**We wish you well in preparation for
your approaching D1 year!
See you in June!**

Updated 3/5/2021
