Immunization Requirements

Incoming Clinical Providers,

Dentistry is a health care profession which has the potential to expose the practitioner to infectious diseases. Immunizations substantially reduce both the providers’ susceptibility to these diseases as well as the potential for disease transmission to other dental health care providers and patients. Thus, immunizations are an essential part of the prevention and infection-control programs at the College of Dentistry.

The College of Dentistry requires that all clinical healthcare providers provide:
1. Proof of immunization by a blood titer to: Rubeola (Measles), Mumps, Rubella (German Measles), Varicella Zoster (Chicken Pox), and Hepatitis B.
2. Dates of immunization to Tetanus and Diphtheria
3. Tuberculosis testing from within the previous 12 months.

Students are required to show immunization against Polio. All other College of Dentistry healthcare providers are exempt from this requirement.

Steps to follow:

• All incoming students (including pre-dental, Advance Standing, and post-graduate) must have the attached form filled out by a licensed health care provider. The completed form must be uploaded into CastleBranch along with lab titer reports. You will be provided 7 months grace period to complete the Hepatitis B immunization series and receive a titer.

• Employees and prospective employees of the UIC College of Dentistry shall be seen at the UIC University Health Service. Before your appointment at University Health Service you must have the attached form completed by your own provider so as to avoid duplicating recent tests.

• Temporary service employees are employees of the agency and not of the College of Dentistry. It is the responsibility of the agency to ensure that their employees show compliance with all the immunization requirements found in this document. The agency must be able to provide proof of immunization to the College upon request.

• Non-Salaried, Adjunct Faculty and Volunteer Faculty shall be seen at their own provider. The attached form must be filled out by a licensed health care provider.

Failure to abide by the mandatory requirements outlined in the College Immunization Policy will preclude an individual from participating in patient care at the College of Dentistry. Please direct any questions to the Office of Clinical Affairs, 312-996-3544.
MANDATORY MEDICAL IMMUNIZATION DOCUMENTATION FORM

PART I: To be completed by the Student/Employee (Please Print)

Last Name: ____________________________
First Name: ____________________________
Middle Initial: ____________________________
Date of Birth: ________/______/______
Address (Number and Street): ____________________________
City and State: ____________________________
Zip Code: ____________________________
Home Telephone Number: ____________________________
Sex: ____________________________
UIN (If assigned): ____________________________
E-mail Address: ____________________________
Year of Admission: ____________________________

I authorize the University of Illinois at Chicago to release this immunization record to the Illinois Department of Public Health, or its designated representative, for compliance audits and in the event of a health or safety emergency.

Signature: ____________________________ Date: ________/______/______

PART II: To be completed and signed by a healthcare provider. All dates must include month, day, and year. All required titer results

MEASLES (RUBEOLA) * Attach copy of laboratory report
☐ Immunization Confirmed with blood titer
 Date of titer: ________/______/______ Result: ____________________________
 Date of re-immunization: ________/______/______

RUBELLA (GERMAN MEASLES) * Attach copy of laboratory report
☐ Immunization Confirmed with blood titer
 Date of titer: ________/______/______ Result: ____________________________
 Date of re-immunization: ________/______/______

MUMPS * Attach copy of laboratory report
☐ Immunization Confirmed with blood titer
 Date of titer: ________/______/______ Result: ____________________________
 Date of re-immunization: ________/______/______

TETANUS & DIPHTHERIA (TD, DT or DPT) *Tetanus Toxoid (TT) is NOT acceptable
Three immunizations are needed OR date of last booster OR date of adult immunization:
☐ Immunization 1 Date ________/______/______
☐ Immunization 2 Date ________/______/______
☐ Immunization 3 Date ________/______/______
 OR
☐ Last Booster Date: ________/______/______
 OR
☐ Immunization as an adult Date: ________/______/______

TUBERCULOSIS
☐ Quantiferon Gold date ________/______/______ Results ____________________________

If positive test result then a baseline Chest x-ray is required:
☐ Date of x-ray: ________/______/______ ☐ Positive ☐ Negative
☐ Had BCG vaccine. Date: ________/______/______

NOTE: History of BCG vaccine does not exempt from TB Testing.

POLIO (Polio Immunization is NOT required for College of Dentistry Healthcare Providers but IT IS A REQUIREMENT FOR STUDENTS)
(At least three doses of inactivated polio vaccine (IPV), live oral poliovirus vaccine (OPV), or four doses of any combination of IPV/OPV.
☐ Primary Series Completed:
 Immunization 1 Date ________/______/______ ☐ Oral ☐ Injection
 Immunization 2 Date ________/______/______ ☐ Oral ☐ Injection
 Immunization 3 Date ________/______/______ ☐ Oral ☐ Injection
 Last Booster Date: ________/______/______ ☐ Oral ☐ Injection
☐ Immunization as an adult Date: ________/______/______
 OR
☐ Immunization confirmed by titer Date: ________/______/______

VARICELLA ZOSTER (CHICKEN POX) *Attach copy of lab report
☐ Immunization Confirmed with blood titer
 Date of titer: ________/______/______ Result: ____________________________
 Date of re-immunization: ________/______/______

HEPATITIS B * Attach copy of laboratory report
Three immunizations are needed and proof of immunity by titer.
☐ Immunization 1 Date ________/______/______
☐ Immunization 2 Date ________/______/______
☐ Immunization 3 Date ________/______/______
 AND
☐ Immunization confirmed by titer date: ________/______/______
 HB surface antigen ☐ Positive ☐ Negative
 HB surface antibody ☐ Positive ☐ Negative
 Antibody must be positive or immunization is required

MEDICAL EXEMPTIONS
☐ Attach physician’s statement of medical contraindications with duration of medical condition.
