Diversity, Inclusion, Equity and Equality (DIEE) - (Schedule To Be Announced August 2022)

The College values and seeks diversity, inclusion, equity and equality but understands that we have much work to do to maintain or efforts to date. This was the first of many more opportunities for college wide conversation.

To continue the conversation about diversity, inclusion, equity and equality, this summer incoming D1 students will engage in a summer reading assignment followed by a discussion during orientation. We will be contacting you in the next two weeks to provide you with clear guidance about what the assignment entails.
