Referral (+) - UIC College of Dentistry's new online referral system!

Dear Provider,

We have received your faxed order. Our goal is to keep your patients information safe and secure. In keeping with our goal, we invite you to use our HIPPA compliant system, Referral Plus.

Unlike a fax, Referral Plus allows you to place referrals in a safe and secure platform, where you can track your request and communicate with our team of service professionals.

Placing a referral is easy:
1. Go to College of Dentistry website: https://dentistry.uic.edu/patients/referral-plus
2. Click on "I am a doctor & I want to refer a patient".
3. Click on "Refer a patient using Referral +"
4. Fill out the electronic referral form and hit Preview/Submit.

In four easy steps, your referral will be placed in a secure environment with your notes, instructions, and any images needed to properly service your patient.

As we are committed to protecting your patient's privacy, **January 31, 2021**, monitoring of faxes referrals to 312-996-5987 will cease.

If you have any questions, please feel free to contact our department at codomfs@uic.edu

Thank you,

UIC College of Dentistry, Oral and Maxillofacial Surgery.
