**Diversity, Inclusion, Equity and Equality (DIEE) - (Breakout Groups will be assigned during orientation)**

The College values and seeks diversity, inclusion, equity and equality but understands that we have much work to do to maintain our efforts to date. This was the first of many more opportunities for college wide conversation.

To continue the conversation about diversity, inclusion, equity and inclusion, this fall/winter incoming AS2 students will engage in a reading assignment followed by a discussion during orientation. We will be contacting you in the next two weeks to provide you with clear guidance about what the assignment entails.
