### **Diversity, Equity, Inclusion and Belonging (DEIB) –**

**- Read prior to Orientation; Breakout Groups assigned at Orientation (8/2024)**

The College held a Town Hall in June 2020 that began a College conversation about diversity, inclusion, equity and belonging. Our faculty, staff and students shared their thoughts and experiences and provided the community an opportunity to ask questions. The College values and seeks DEIB, but understands that we have much work to do to maintain our efforts to date. This will begin the first of many more opportunities for college wide conversation.

To continue the conversation around DEIB, incoming D1 students will engage in a summer reading assignment followed by a discussion during orientation. We will be contacting you after the D1 Summer meeting to provide you with clear guidance about what the assignment entails.
